THE RANGE OF OUR ADVICE AND FINANCIAL PLANNING OBJECTIVES

- 4 Your adviser is **independent** and acts on your behalf as your agent. Your Adviser is therefore able to provide unbiased unrestricted advice on retail investment products based on a comprehensive and fair analysis of the market. We will consider a sufficiently wide range of financial instruments available on the market to ensure that your objectives can be met in a suitable way. For mortgage advice your adviser provides independent mortgage advice.
- 5 We are permitted to give advice on retail investments, general insurance, mortgages and arrange transactions in these products. For retail investment products, this will include not just packaged products, but also structured products, all investment trusts and any other investments that offers exposure to underlying assets, but in a packaged form which modifies that exposure compared with direct holding in the financial asset.
- 6 In order to provide you with personal financial advice and recommendations suitable for your particular circumstances and in order to act in your best interests, we will undertake a 'fact find' to gather the appropriate information to assess your needs. We will then be able to set out clearly your financial planning objectives based on your stated objectives, acceptable level of risk and any restrictions you wish to place on the type of policies you are willing to consider. Details of your stated objectives will be set out in a Suitability Report we will issue to you to confirm our recommendation. Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.

- 7 You hereby acknowledge that in the event of the firm assisting you in the completion of any investment or insurance application or policy proposal forms that you will in any event continue to bear full responsibility for the accuracy and completeness of the information entered on such forms. Therefore you understand that inclusion of incorrect information or omission of any material facts may result in the insurance, investment or policy to which the application or proposal relates to being adversely adjusted, made void and/or any claim(s) made against it being refused. The advice we give you will be based on the information you have given us and your stated investment objectives including the degree of risk you will accept. It is your responsibility to advise us on any changes.
- 8 We will forward to you all documents showing ownership of your investments/contracts as soon as practicable after we receive them. All such documents may be sent by post and this would be at your risk.
- 9 We will outline from the outset whether our advice will cover your entire financial planning needs or focus on specific areas giving consideration to any restriction you place on our advice.
- 10 We require our clients to give us instructions in writing, or we may confirm our understanding in writing (by post or by email) in order to avoid possible disputes. This will usually be in the form of a proposal or application form. We will, however, accept oral instructions in certain instances provided they are subsequently confirmed in writing.

CUSTOMER CLASSIFICATION

- 11 The Financial Conduct Authority (FCA) have three levels of client: Retail, Professional and Eligible Counterparties. Different levels of protection apply to each.

We have classified you as a Retail Client and, as such, you will be afforded the highest level of protection.

In the event of an unresolved dispute you will have a right of referral to the Financial Ombudsman Service (FOS) and may be entitled to benefit from the maximum protection available under the Financial Services Compensation Scheme (FSCS). It should be noted that not all Retail Clients are eligible claimants under the FSCS but, as a private individual, you are classified as an eligible complainant.

This agreement is personal to you and not assignable. We may accept instructions from and give information to third parties or your other advisers on your behalf where you have confirmed in writing we may do so. We cannot accept any responsibility for errors in information supplied by such persons. Where you are a trustee, director or officer of any trust, corporation or LLP requiring advice you warrant to us that you have full authority to act on behalf of the same and there are no restrictions on the limits of our advice of which we have not been made aware. We will not be responsible for advising on compliance with your trust, trustee, director or officer obligations.

THE COST OF OUR SERVICES

- 12 You will pay for our services by either a fee or a combination of fee and/or fee by payment facilitation through product charging. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid. For payment options relating to investment advice, please refer to paragraph 13. For payment options relating to mortgage advice, please refer to paragraph 14. Value added tax may be payable on some or all of the work we do. We will inform you if VAT is applicable.

Investment advice

- 13 When **paying by fee**, you will pay us for our advice and services (whether you buy a product or not) at an amount or a rate agreed before we commence any work. Our fees may include VAT. Where this is the case you will be informed and invoiced accordingly.

13.1 Our “combined” aggregated fees as a percentage of the funds invested are:

Amount Invested	% Fee
Up to £100,000	3
£100,001-£250,000	2.5
£250,001-£500,000	2
Above £500,001	1

For example: A £150,000 investment would cost £4,240

Our combined charge covers the following steps in our Advice journey:-

- Exploration:-** We will explain how we work, what service we provide and how we are paid for those services. Our aim is to fully understand your short and long-term financial aspirations. To do this we will: gather information about you, understand your income and expenditure, assess your current arrangements, identify your attitude to risk and capacity for loss, and establish your needs, objectives and priorities.
- Strategy:-** Having assessed your priorities if appropriate we will carry out research to find suitable investment options for you. To do this we will: analyse the information you have provided, contact providers of your current arrangements to establish full details of what you have in place, research the market to find investment products that are suitable for you and compare the costs, features and benefits of those products.
- Implementation:-** We will develop and present a plan to meet your requirements, which will include our recommendations on specific investment products and the terms on which these can be arranged. In doing so we will: review options that are available to you, explain why our recommendations are suitable for you, point out the risks involved, set out the costs, explain the tax implications of our recommendations and provide you with a full set of documents and information to help you understand our recommendations.
- Administration:-** Once you understand our recommendations and are ready to proceed we will act between you and the provider(s) of investment products. This will involve: the completion of all paperwork and dealing with provider(s) to ensure that our recommendations are implemented in accordance with your requirements.

You may wish to set a fixed amount of fees that cannot be exceeded without further reference to you, in which case please speak with your Adviser. Where charging a fixed fee we will provide you with a fee agreement showing the actual fee that will be payable for the agreed service being provided. Where charging an hourly rate we will provide a letter of engagement to indicate how much we might charge in total.

Your Payment Options

Settling your adviser charge through a single payment

In many cases payment of fees can be arranged through a product provider but if this is not available or should you prefer, you will be required to settle the payment of our fees on completion of our work in 5 days via cheque or card payments. We do not accept payment by cash. You will be provided with a receipt upon payment.

Keeping up with your payments

If you fail to keep up repayments of the adviser charge we will terminate our relationship.

13.2 You may elect that we are remunerated **by fees and offset fees (paid by a product provider)** the actual amounts will depend on the service provided to you but will be in line with the arrangements set out above in section 13 headed “**investment advice**”.

The fee will not exceed the rates shown in this document. We will agree the rate we will charge before beginning work and we will tell you if you have to pay VAT. The fee will become payable on completion of our work. You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

Pure Protection Products

13.3 If you buy a protection product you may elect that we are remunerated **by commission**. The commission is paid directly by the provider. Although you pay nothing up front that does not mean our service is free. The commission paid to us forms part of a 'product charge' which you pay when you purchase the product. Product charges pay for the product provider's own costs and any commission payable to third parties.

You may elect that we arrange for the protection premium to be discounted by the commission that otherwise might have been payable under the policy recommended. In this instance you will need to pay a fee appropriate to cover our advice and work, in accordance with paragraph 13.1 above.

The amount of commission we receive will vary depending on the type of policy and (sometimes) the term of the policy or your age, as in the following example:

If you were to pay £50 per month towards a Critical Illness policy we may receive commission of £1012.71 initially and roughly £15.12 every year from year 5 onwards.

Payment for Ongoing Services

13.4

We have a range of ongoing services we can provide to ensure that your personal recommendation is reviewed frequently and remains relevant to your changing circumstances. The frequency and amount of the charge will depend on the service you choose and is usually made by deduction from your investment on a monthly or quarterly basis. Alternatively this can also be paid/arranged via a standing order on the 1st of every month from your chosen personal or business bank account. This service can be cancelled at any time.
